Subject: NPDES Tracking Number TNR112328

Tennessee Department of Corrections Taft Center (TDOC)

Tennessee Department of General Services Pikeville, Bledsoe County, Tennessee

Dear Mr. Ingham:

The Division of Water Resources (division) acknowledges receipt of a certified Notice of Termination on 03-DEC-15. This form was submitted according to Section 8.1.1 of the General NPDES Permit for Discharges of Storm Water Associated with Construction Activities (TNR100000), which requires the operator to submit written certification that a site, or portion of a site, has been finally stabilized and all storm water discharges associated from the construction activities that were authorized are eliminated.

If you have questions, please contact the division at your local Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Micah Gravitt at (423) 634-2547 or by E-mail at Micah.Gravitt@tn.gov.

Sincerely,

Jennifer Innes

## Notice of Termination (NOT) for General NPDES Permit for Stormwater Discharges from Construction Activities (CGP)

This form is required to be submitted when requesting termination of coverage from the CGP. The purpose of this form is to notify the TDEC that either all stormwater discharges associated with construction activity from the portion of the identified facility where you, as an operator, have ceased or have been eliminated; or you are no longer an operator at the construction site. Submission of this form shall in no way relieve the permittee of permit obligations required prior to submission of this form. Please submit this form to the local WPC Environmental Field Office (EFO) address (see table below). For more information, contact your local EFO at the toll-free number 1-888-891-8332 (TDEC).
